Chef's Letter

SPICA - a brainchild of KREA Foods and Beverages, began its journey in the year 2015. With a team of culinary experts and food technicians we explored the avenues of creating sustainable foods and striking a balance between health and taste. Our Bistro underscores the vision of gastronomic clarity and diversity for a city as dynamic as Bhubaneswar.

We carefully source organic ingredients that are baked and cooked with the best of artisanal techniques to bring superfood delicacies to your plates. With a slew of products at SPICA, ranging from Bakery & Confectionary to Continental & Exotic Desserts, you will be treated to some of the healthiest and sumptuous choices under one roof for the right bite.

Finally, to our dear guests, you have our immense gratitude for allowing us to serve you our love and bringing life into our restaurant.

Thank you for being a part of our journey.

Bon Appétit!
